WHY CHOOSE US?

Leading meat importer, distributor and processor

With over 800 white-label products and brands, including Farmpride and Amir's, Country Foods provides core proteins such as beef, chicken and lamb to more than 1,000 international clients across all channels.

Extensive range of halal-certified and plant-based proteins offerings

Our diverse range of protein products include Halal-certified frozen poultry, seafood and delicatessen offerings. In line with our goal to better the world, we also provide alternative proteins by working with plant-based brands such as Impossible Foods.

Innovation & Peace of Mind

We encourage our team of culinary experts to explore and develop new food service concepts and solutions. Through their creativity, we continue to grow our range of sustainable and premium food products.

OUR SOLUTIONS

Global Sourcing

We connect businesses to high-quality fresh food sources through a robust network across the world.

Manufacturing

We provide retail and HORECA customers with extensive food manufacturing solutions, including separate processing facilities for Halal and non-Halal products.

Cold Chain Logistics

With state-of-the-art, temperature controlled equipment, we support farm-to-fork practices through end-to-end cold chain logistics for perishable food products and more.

Sales & Distribution

As a partner of choice, we provide dedicated sales and account management as well as access to an international distribution network for our customers.

Culinary Expertise

With our own kitchens helmed by experienced chefs, we provide expertise to help HORECA businesses develop menus with a focus on Asian flavours.

Trade & Channel Marketing

All digital initiatives, brand and trade marketing services are tailored for our customers' needs.
