## ABOUT US

# COUNTRY FOODS

Country Foods Pte Ltd is a Singapore-based food solutions company and one of Asia's leading importers, distributors and manufacturers of meat, protein products and convenience foods. A wholly-owned subsidiary of SATS Food Services, it serves over 1,000 clients across retail, foodservice, wholesale and airline channels with high-quality core proteins, alternative proteins and ready-to-cook products. The company combines global sourcing, cold-chain logistics, culinary expertise and end-to-end supply chain capabilities to deliver safe, affordable and tasty food solutions tailored to diverse markets and customer needs. Country Foods also supports brand-led growth with extensive manufacturing, processing and private-label services — helping partners expand in Singapore and beyond.

## WHY CHOOSE US

### Leading meat importer, distributor and processor

With over 800 white-label products and brands, including Farmpride and Amir's, Country Foods provides core proteins such as beef, chicken and lamb to more than 1,000 international clients across all channels.

### Extensive range of halal-certified proteins offerings

Our diverse range of protein products include Halal-certified frozen poultry, seafood and delicatessen offerings.

### Innovation & Peace of Mind

We encourage our team of culinary experts to explore and develop new food service concepts and solutions. Through their creativity, we continue to grow our range of sustainable and premium food products.

# 🍴 WHAT WE CAN DO FOR YOU

As the leading protein importer, distributor and processor in Singapore, Country Foods is the gateway to Asia and beyond for our customers and partners.

Leveraging our extensive global network and SATS capabilities, we operate as a trusted link between suppliers and customers. As your go-to food solutions partner, we offer expertise in food service systems such as Conventional, Commissary, Ready-Prepared, Serve, as well as Food Assembly production and other culinary solutions.

For an unparalleled value chain solution, we are your trusted partner from strategic sourcing to value-added processing, to new segments penetration in Singapore and overseas. With a competent Sales and service team, we combine extensive industry and product knowledge to help you and your products succeed and gain market share.

Whether it's refining your supply chain, enhancing product offerings, or expanding into new markets, we're dedicated to driving your success every step of the way.
