WHY CHOOSE US?

Leading meat importer, distributor and processor

With over 800 white-label products and brands, including Farmpride and Amir's, Country Foods provides core proteins such as beef, chicken and lamb to more than 1,000 international clients across all channels.

Extensive range of halal-certified proteins offerings

Our diverse range of protein products include Halal-certified frozen poultry, seafood and delicatessen offerings.

Innovation & Peace of Mind

We encourage our team of culinary experts to explore and develop new food service concepts and solutions. Through their creativity, we continue to grow our range of sustainable and premium food products.

OUR SOLUTIONS

Global Sourcing

We connect businesses to high-quality fresh food sources through a robust network across the world.

Cold Chain Logistics

With state-of-the-art, temperature controlled equipment, we support farm-to-fork practices through end-to-end cold chain logistics for perishable food products and more.

Culinary Expertise

With our own kitchens helmed by experienced chefs, we provide expertise to help HORECA businesses develop menus with a focus on Asian flavours.

Manufacturing

We provide retail and HORECA customers with extensive food manufacturing solutions, including separate processing facilities for Halal and non-Halal products.

Sales & Distribution

As a partner of choice, we provide dedicated sales and account management as well as access to an international distribution network for our customers.

Trade & Channel Marketing

All digital initiatives, brand and trade marketing services are tailored for our customers' needs.

Delicious, Meaty Food Made from Mushrooms

The Taste and Texture of Slow Cooked Meat Shiitake mushrooms have meaty umami flavours, and the structure can be processed to achieve a standout slow cooked meat like texture.

Healthy and Better For You

Fable is 62% shiitake mushroom. All ingredients are natural and we minimise processing.

Created for Chefs

Fable provides chefs with a base flavour and texture. It's easy to work into any slow cooked meat recipe - without the time needed to slow cook or the moisture loss that occurs!
